3 Bedrooms | **1** Bathroom | **1,120** Sqft

If you've ever wished you could turn back the clock to the simpler days of old-school lake living, here's your chance! Nestled in a charming lake community just 15 minutes from town, this 3-bedroom, 1-bath cabin is brimming with potential and ready for your vision. The seller has already tackled several big-ticket updates, including a NEW metal roof in 2025, some new flooring, fresh interior paint in select areas, and recently installed bathroom/shower tile. Inside, you'll find a spacious living room and oversized eat-in kitchen, perfect for gathering after a day on the water. Step outside and enjoy year-round peekaboo lake views from the expansive 3/4 wraparound deck, offering plenty of room to relax, entertain, gather around the firepit and soak up the lake life. The single-car garage is a great place to tuck away your golf cart and lake toys. Just around the bend, you'll find the community park, boat ramp, gazebo, and picnic area, making lake days a breeze at the 83MM! Ready to bring your vision to life? Actual property photos are shown alongside select AI-generated conceptual images, which are clearly identified to help illustrate the home's potential and possibilities.
