You've been searching for a condo with an amazing view! You love the penthouse feel with the higher ceilings? You want to do your own personal touches but want good location to start with? This cannot be beat. But then owners made it better! They added additional square footage giving you a private seating area, a bunk room, or a private reading room all enclosed and located adjoined to the Master suite. Amenities at The Cove on Indian Point include basketball court, tennis court, swimming pool, hiking trails, walk-to-water lake access, and your trash, wifi and cable are included in your POA dues -- big savings on your bottom line. Looking for an investment property or a family vacation condo, this one would be fun to redecorate and install your personal upgrades. Need a larger condo, ask me about the unit next door.
