MLS# 60227977

\$155,000

2 Bedrooms | 1 Bathroom | 2,496 Sqft

This spacious two bedroom, one bath home sits on a shaded acre of ground. Fencing is around property and may be suitable for small animals. A two car detached garage with stalls in the back could be used for many projects or hobbies. A full unfinished basement allows for lots of storage as well as a oversized one car garage. A lovely brick fireplace will be a welcome touch on those chilly winter nights, or just chill in the recreation room with friends and family. Dishwasher
